Gautam Ganjawala has 17 years of experience and focusses on Banking & Finance, Fintech and Corporate/M&A matters. He represents major banks, NBFCs, mutual funds, foreign portfolio investors, private credit players, family offices, special situation financiers and other lenders and borrower entities on regulatory work, as well as all types of financing transactions with a focus on structured finance and hybrid financing transactions. Gautam also advises on mergers and acquisitions and investments with a focus on the BFSI, fintech and the infrastructure sectors (roads and port). Gautam also advises clients across the digital payments and fintech ecosystem; including merchant acquiring, issuance and set-up of cards and wallets, cobranded cards arrangements, payment aggregation, embedded finance and digitising delivery of financial products and services.
