Mr. G. Padmanabhan's expertise in India's bank regulation and supervision of foreign exchange/securities markets, information technology and payment systems is unparalleled. This wealth of knowledge is the result of more than 35 years of experience with the Central Bank in multiple capacities, including recommending and implementing various policies, systems, guidelines, and regulations relating to the banking, financial services and securities sectors of the country. At the Reserve Bank of India (RBI), he was with the Accounting Department and Securities Department prior to 1986, in the Supervision Department from 1986 to 1994 and was a member of numerous committees and working groups in various capacities from 1994 to 2003. From 2003 to 2005, he was the Chief Executive of the Hyderabad Regional Office, headed the Information Technology Department (2005 to 2008), then Payment Systems (2008 to 2011). He served as the RBI's Executive Director from 2011 to 2015. Since then, he has consulted with AZB & Partners to benefit the Firm and its clients with deep insights not just into regulatory concerns but also on the nuances of business and commerce in the banking and financial sectors.
