With 17 years of experience in corporate transactions, Bhavana (Partner), based in Chennai, has navigated a comprehensive spectrum of transactions including venture capital, growth capital, buy-outs, strategic sales, joint ventures, PE, VC and inorganic growth acquisitions. She is a trusted advisor in significant deals across sectors including technology, manufacturing, and healthcare sectors.

Her experience is to help complex cross-border transactions, both strategic and financial, with particular specialization in compliance with India's FDI regulatory framework. Beyond transactional work, her expertise also involves providing support to corporates in drafting and negotiating critical commercial contracts, including Master Service Agreements, supply chain contracts, key employment agreements, product license arrangements and cross border commercial arrangements. She is adept at providing comprehensive legal guidance across business operations.
