Shruti Garg, Partner is a part of the Delhi office. Shruti has 12 years of experience and specializes in Dispute Resolution. Shruti regularly represents and advises clients on infrastructure contracts and disputes, including contracts dealing with the construction of roadway, highway, metro rail projects, and EPC related contracts. She also has expertise in advising and representing clients in regulatory and governance issues.

Shruti regularly appears before international and domestic tribunals in high stake complex disputes. Her fora of practice include Supreme Court, various High Courts, various Tribunals and Arbitral Tribunals constituted under SIAC, ICC, MCIA etc.

Experience

- Partner (April 2026 - Present)
- Counsel (April 2024- 2026)

Key Practice Areas

- Dispute Resolution
- Regulatory & Securities

Recent Work Highlights

- Represented and advised a UK-based company in an arbitration dispute against a Chinese state-owned company involving claims of approximately USD 400 million. The arbitration is seated in Singapore and is to be conducted by the Singapore International Arbitration Center. The dispute relates to the defects and deficiencies in the design, equipment, and services supplied by the Chinese state-owned company during the construction and installation of boiler, turbine, and generator units for a power plant located in Madhya Pradesh.
- Represented and advised an infrastructure company in arbitrations against the National Highway Authority of India involving claims of approximately USD 200 Million. The dispute relates to the construction of a highway and deals with various complex commercial disputes.
- Represented one of the largest Indian infrastructure companies in an arbitration dispute before the Singapore International Arbitration Centre with regard to disputes revolving around forgery, illegality, and invalidity of certain corporate guarantees.
- Advised an Indian Infrastructure company regarding a challenge to an award before the Singapore International Commercial Court involving claims of approximately USD 150 Million.
- Represented and advised a listed entity in investigation and consequent proceedings initiated by Securities Exchange Board of India against the company, its promoters, and key managerial personnel raising allegations of fraudulent trade practices.
- Advised a Chinese banking company regarding a potential dispute as a shareholder in a renewable energy company regarding various compliances and governance issues.
