Bhargavi is a Counsel with over a decade of experience across corporate law, compliance advisory, and board governance. She is a part of the firm's manufacturing sector team and works across automotive, electronics, semiconductor, and hardware industries, and is also a part of the Taiwan desk. Her transactional work is sector-agnostic, spanning mergers and amalgamations, joint ventures, private equity, and venture capital and general commercial mandates. Her core strengths include navigating the intricacies of cross-border IP licensing, technology-sharing arrangements and supply chain advisory for the semiconductor industry. She also advises private wealth clients and business families on succession planning, inter-generational settlements, and estate planning.
